

Privacy statement

Teconer Oy (hereinafter Teconer) is committed to protecting the privacy of the visitors to our web site.

This Privacy Statement comprises the terms and conditions under which the personal data is collected through the use of the site, how it is processed and how the user can influence its use.

By using the web site you agree to the terms of this statement. If you do not accept the terms, kindly discontinue use of this site.

1. What kind of personal data do we collect?

It is possible to contact Teconer through Blog and Contact pages on the site for submitting questions, comments or contact requests. Teconer may in that context ask personal data, like name, company, address, e-mail address and telephone number.

2. How is the personal data used?

A site visitor's personal data may be used, among other things, for offering products and services, responding to requests and questions and carrying out other similar tasks.

Teconer may also supply customer communication and information about changes concerning our product and services offering. We may use personal data for product and service marketing and for market research if consent for this has been granted or it is otherwise allowed.

3. Where do we get the personal data from?

Teconer gets personal data from the site visitors. Data can be observed and derived from the use of services.

4. Who will process personal data?

The personal data is only processed by those Teconer employees who process the data as a part of their work duties.

The personal data is always processed with care and in compliance with good data processing practices.

5. How is personal data stored?

Personal data is handled with care and as required by law. The data is protected carefully by using appropriate means of data protection and information security.

The collected data is stored as long as necessary for the purpose for which it has been collected and in compliance with the laws in force.

6. To whom do we disclose personal data?

Teconer may share the contact data of the site visitors with channel partners for the purpose of sales and marketing of Teconer's products and services.

We do not disclose personal data collected through the use of this web site to any other third parties without the prior consent of the site visitor, unless required by law.

7. Site visitor's rights

You have the right to access the data concerning yourself, to demand that erroneous or incomplete data be corrected and any data that is unnecessary or obsolete regarding the purpose of the processing be removed.

8. Contact

Enquiries and requests concerning the processing of personal data shall be addressed to: info@teconer.com.
